11. [redacted] (Personnel) called to compare notes on the  
holiday pay bill legislation.

12. Talked with Mr. Reed of the Bureau of the Budget concerning  
S. 1489. He said the Bureau has not developed a position on this piece of  
legislation. Some of our problems were pointed out to Mr. Reed as well  
as those of the Government at large if this bill were enacted. It was agreed  
that we would prepare a report in draft and then check with him again.
